X	General	Mahatma Phule Highschool, Bej	SSC	2016	74.4 %

Academic Projects

Title	:	**Kisan Mitra**
Platform	:	ASP.NET Web Api, ReactJS, MS SQLServer **Duration:** 1 month
Description	:	E-commerce Website (Kisan Mitra) for Online Seed, Fertilizer, and Pesticide sales. The objective of this project is todevelop an e-commerce website specifically for selling online seeds, fertilizers and pesticides. The website will serve as a platform for farmers interested in gardening, agriculture to browse, select, and purchase these products conveniently from the comfort of their homes. The project will involve designing and implementing features to provide a seamless and user-friendly shopping experience for customers.
